

**Job Vacancy : Sales Manager**  
Full Time  
Immediate Start  
**Reporting to : Sales Director**

An exciting opportunity has arisen for a highly motivated individual as Sales Manager to grow and manage our sales team. Ashgrove Renewables, Est 2001, is well established in the renewable energy sector. In 2021 we launched a Home Energy Upgrade side to our business and plan a rapid expansion in 2022. This is in line with the governments obligation & plan to upgrade 500,000 Irish homes by 2030. This is being driven by generous grants.

In line with our strategy for expansion, we are in the process of planning and building a new purpose built-facility comprising of warehouse and offices. The offices will be state of the art, including show room, training facilities, customer meeting rooms and virtual meeting pods to cater for the ever growing requirement for online consultations and presentations.

As sales manager you will be responsible for achieving sales goals, growing the sales team, forecasting & planning and managing the team in a CRM and metric driven environment.

Extensive training provided

We are in the process of updating our website etc to include our new business offerings

Great advancement opportunities for the right individual
